Yachtsman of the Year

Commodore Amlin presents the Yachtsman of the Year award to Bob Lang

Bob Lang

It is with the greatest of pleasure that the 2016 “Yachtsman of the Year Award” is presented to Bob Lang from the West River Yacht and Cruising Club. Bob has been an active Bay Week and I-LYA participant for many years and has championed the development of our Jr. Power Boat Program. As chairman for the Junior Power Boat Regatta, Bob exemplifies the traditions and mission statement of I-LYA through the education, promotion of safe boat handling and sportsmanship with our power boating youth. Year after year, under the watchful eye of Bob, the junior program continues to grow. In addition to working with the juniors, Bob also chairs many of the Power Regatta on-the-water events and has a unique way of drawing the crowd in, bringing smiles and laughter to those both young and old. As a result of Bob’s passion, commitment and dedication to the Inter-Lake Yachting Association, he has been named “Yachtsman of the Year.”
