

December 2024

From the Helm

I hope everyone had a nice Thanksgiving. Hard to believe it is already December, what a busy month this will be for everyone!

We held our Pool and Dart event at My Place Bar in Wyandotte on Sunday November 24th. For those of you who may not know My Place Bar has the grill that was in Watkins Hamburgers and I was told they still use this grill everyday.

A special thank you to the 2024 bridge and board for a job well done.

Your dedication and hard work is very much appreciated. It was an honor and a pleasure serving as your Commodore in 2024. Thank you to those who supported me and I'm certain you will also support your new bridge members during 2025.

Be sure to sign up for a slot to work [Texas Hold-um in April and May of 2025](#). It is better to work a few hours at this event instead of raising our dues or having mandatory work hours.

Contact VC elect Sharon McWhorter if you have questions at 313 283 8122.

ILYA weekend in Westlake Ohio is December 6th to 8th.

In between the fine ILYA events or on Sunday before heading back home, take advantage of the very nice shopping areas in Westlake. This is a great opportunity to attend the ILYA events as well as doing some holiday shopping.

Christmas gathering and Change of Watch is on Monday, December 16th at 5:45PM at Whiskey's. A warm welcome to the new bridge and everyone serving on the board in 2025.

May you have a wonderful holiday season. I hope the new year brings each of you good health, prosperity, calm waters and safe boating.

Greetings,

As I reflect on my time as a member of WRYCC, I'm reminded of a few of my personal goals and aspirations. Let me put this in perspective from a non-boat owner. Believe it or not, I have two immediate goals: get my Captain's License and a boat. I'm 73 heading towards 74 years of age in February 2025.

What are some of your WRYCC club related goals?

Happy Holidays 2024!

As of November 22, 2024, winter weather has officially arrived given our first signs of snow for the year. But, we sure had some nice sunny fall days albeit with some gloomy, cold, rainy days mixed in, too. So, hunker down for our winter days during which we can start planning for this coming spring and summer events or our next warm vacation.

November was a relatively average month. Starting on the 1st, there was an average high and low of 54F and 39F respectively. Ultimately, the forecast is predicting an average high of 42F and low of 30F on the 30th. During November, we will more than likely end up with 16 days above average and 14 below.

In terms of local water levels, Lake Erie is down 2 inches from November 15, 2024. And “they” are predicting the level to go down another 3” inches by the end of December 2024. The water temperature is 51.4F at Belle Isle.

Hope to see all of you at the Change of Watch / Christmas party!
